## Product Information

### **Bricks & Tiles**

These are available separately without being ordered thru the Fundraising Program. Refer to Sample order form, front and back, in the packet for ordering guidelines.

### **Signs**

We offer Castone Signs as well as Natural Stone Signs. We will need dimensions needed for sign to give you a quote. Call for more information on signs.

### **Rocks**

We use natural River Rocks for all of our Round Rock orders. The prices are based on the size of the area of text needed. See order form in packet for guidelines.

### **Boulders**

The Boulders are priced by the weight and text area needed. After we receive your order we will get you a quote.

### **Stones**

Our flat stones are natural flagstone from numerous quarries nationwide. The price is based on the text area needed. See order form in packet for guidelines. We carry the natural tan, cream, and red flagstone and on occasion have grey. We will process your order with the stones we have in our inventory, however if you have a preference we will do our best to honor it.

### **Slabs**

The slabs are natural flagstone from numerous quarries nationwide. The price of the slab is based on the size and thickness of slab needed as well as the text area.

### **Benches**

Our benches are concrete. They come in three pieces (you can put liquid nails on the top of the legs to make it one piece). We carry a small curved, small straight, large straight and large curved. The guidelines for benches are on the order form in the packet. The design on benches is very flexible. We also have granite benches available. Please call for quote.

### **Pet Markers**

Our pet markers are a round river rock, flat stone, brick or tile, or stand up marker. Refer to price sheet for cost. Price is based on text size of the stone, except for the stand-up marker. The images of the animals on this product are stock logos.

### **Tree Markers**

Our tree markers are 4-5 inch thick stones. This allows for you to bury the stone, so the maintenance of mowing and edging is easy to do. You may order any rock or stone any size to use as a tree marker. Price is based on text size of the stone

**Honor & Recognition**

Our products are very unique and personal, for honor and recognition. You can choose any product we have and we can personalize it for you.

**Granite Engraving**

We can engrave granite products. We only carry 12x12 granite, any thing larger must be provided by customer. The thickness of the granite varies. Although we have a pink/brown that is 1in thick. This granite can be used for many things, such as pet markers, tree markers, ..etc.

**Wood Engraving**

We can Laser or Sandblast wood products. We stock 5x2 – 8x10 wood plaques for awards we can personalize as well as wooden pens, baseball bats, shovel handles and wood picture frames.

**Laser Products**

We can laser 4x8 glass block bricks, 8x8 glass block vases (an opening in the top of the glass block), and glass block banks. The 8x8 glass block vase makes a great gift for a wedding or graduation. We can laser the invitation on the glass block. The Laser products have no color but are a frosted look. We can only laser a product up to 16x30.
